PERCENTAGE %	0	33%	63%	4%					100%	

COMMENT

The performance posted by candidates is not competitive enough. It's a very big threat to Go-Standard's academic rating in Kumi Municipality.

However, both teachers and candidates can work together in the remaining two weeks to change the way things appear. English needs more short drills on specific areas as recommended.

33% of the candidates in division 1 is far from our reality.
